

Parents and Students:

As we begin a new year here at Box Elder High School, we as the Kitchen staff would like to ask for your help in the following areas.

1. **Lunch Money**: Please put your student's name on your check. This will assure that your student's account will get proper credit for money paid. Also, ***we will not be able to cash a check for your student.*** ALL checks will be applied to your student's lunch account. ***You may also pay your students' money online.*** There is a link to the web site on BEHS web page.
2. **Lunch cards**: **Every student will need to have their lunch card with them each day.** Cards will help to speed up the lunch line and help to make sure the right account is charged. If you forget your card one day you will not be turned away.
3. **Account balances**: Lunches need to be paid for in advance or each day through the lunch line

P.S. Did you know that you can check your student's lunch account balance when you check his/her grades? If it there is a minus in front of the balance, please send money with your student.
